GRADUATION CAP AND GOWN MEASUREMENTS FOR OUR 8TH GRADERS

It's impossible to believe, but we are preparing for graduation already. Today we measured our 8th graders for their caps and gowns. Many of the students in this year's graduating class have been with us since preschool, so it's extra difficult to think about sending them off to high school. They are ready! We are not!

A FEW IMPORTANT REMINDERS

We begin class promptly at 8:05. Students are expected to arrive well before that time each day.

Parents are to be out of the classrooms before the tardy bell rings at 8:05 so that the students and teachers may begin their day. If you find yourself in the hallway when our prayers begin, we ask you to stop in place until the prayer and pledge are completed. Please help us model appropriate and reverent behavior for our students.

Please remember that for the safety of your children, we must insist that there be **NO CELL PHONE** use during carline. This is critically important for the safety of all. Please remind anyone who may drop off or pick up your children about this rule.
